

# exit ticket

numbers to  
10 000 000

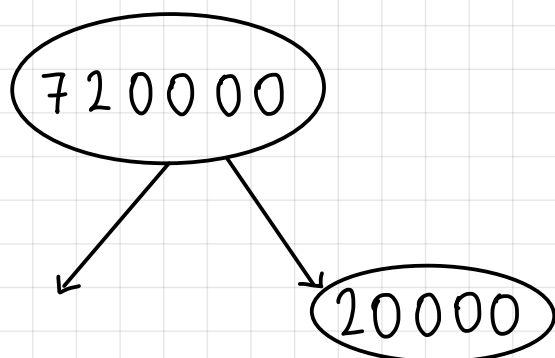

What is the value of the 2 in each of the following:

6207 \_\_\_\_\_

7200 707 \_\_\_\_\_

26 000 777 \_\_\_\_\_

Fill in the following:

What number am I thinking of?

It has seven digits.

It ends in a 6.

It has 7 tens.

There are no thousands or hundreds.

The ten thousands column has half the value of the units.

The millions column is triple the ten thousand column.

The first digit is 6.
