

exit ticket

multiply & divide
by powers of 10

Calculate the following:

$$1) 100 \times 7.2$$

$$2) 720 \div 10$$

$$3) 72 \times 1000$$

$$4) 7200 \div 1000$$

What is the range of the values above?

What is the median of the values above?
