

Guide to multiplying numbers

Grid Method: 54×38

1) Split up the numbers into tens and units

2) Now fill in the grid by multiplying

	\times	50	4
30		1500	120
8		400	32

3) Now add up your answers:

$$\begin{array}{r} 1500 \\ 120 \\ 400 \\ 32 \\ \hline 2052 \end{array}$$
